PROFILE SUMMARY

Motivated Frontend Web Developer with strong skills in JavaScript, React, and building responsive web applications. Experienced in creating clean, maintainable code and user-friendly interfaces. Passionate about UI design, problem-solving, and contributing to dynamic development projects.

PROJECT

Project - 1
Todo List Application
(HTML, CSS, JavaScript, React JS)

- Responsive and interactive Todo List app with task management features like add, edit, and delete tasks.
- Utilized React hooks and state management for real-time updates and a seamless user experience.
- Designed a user-friendly interface with responsive design, ensuring cross-device compatibility and enhanced UI/UX.

Project - 2
Perfumy – E-commerce Website
(HTML, CSS, JavaScript, React JS)

- Developed a responsive e-commerce platform for showcasing and purchasing perfumes, with a focus on UI design and product presentation.
- Implemented features such as dynamic product filtering, search functionality, and a user-friendly navigation bar using React.
- Optimized for speed and responsiveness, ensuring a seamless user experience across devices.

SOFT SKILLS

1. **Communication**: Good communicator who fosters collaboration and understanding.
2. **Teamwork**: Strong collaborator focused on achieving group objectives.
3. **Adaptability**: Flexible in adjusting to changing circumstances.
4. **Problem-Solving**: Skilled in identifying solutions to challenges.
